INDEPENDENT POLICE REVIEW AUTHORITY

23 January 2013

TO: Chief Administrator *[Signature]*
Independent Police Review Authority

FROM: Inv. James Lukas, #117

SUBJECT: U# 07-22, Log #1007557

REFERENCE: RD HN-467650—Aggravated Battery to Officer

OFFICER INVOLVED: RUBALD, Zachary, Police Officer, Star #14540, white male, Unit 153 (now assigned to 6th District), Employee # [REDACTED], DOB: [REDACTED] 1976, DOA: 29 April 2002, on-duty, in uniform, Beat 4493.

OFFICER'S INJURIES: None reported

SUBJECT: COLEMAN, Lamont P., black male, DOB: [REDACTED] 1983, [REDACTED]
[REDACTED], IR# [REDACTED] CB# [REDACTED]

SUBJECT'S INJURIES: Gunshot wound to upper shoulder, traveling through the neck.
Treated at Christ Hospital, good condition.

INITIAL INCIDENT : Traffic stop in which subject exited vehicle and fled with gun

DATE/TIME OF INCIDENT: 15 July 2007, at approximately 1131 hours

LOCATION: 11528 S. Yale
Beat 522

SUMMARY OF INCIDENT:

On 15 July 2007, at approximately 1131 hours, Officers Timothy Fary and Michael Baker of the Special Operations Section were working a mission because of high gang activity between 115th to 127th Streets and between State and Normal. While on patrol at 114th and Stewart, Officers Fary and Baker observed the subject, Lamont Coleman, traveling in a vehicle without wearing a seat belt. The officers followed Mr. Coleman for several blocks and kept in mobile-to-mobile radio contact with other officers. Officers Baker and Fary activated their emergency equipment and attempted to curb Mr. Coleman's vehicle. Mr. Coleman drove through a vacant grassy lot at 11542 S. Princeton and stopped in an alley at 11543 S. Princeton. Mr. Coleman fled from the vehicle while holding what officers said was a black semi-automatic handgun. Officers Baker and Fary contacted Officers Zachary Rubald and Scott Leck, telling them that Officer Baker was pursuing Mr. Coleman on foot, while Officer Fary used the squad car to attempt to cut off Mr. Coleman. Mr. Coleman ran east through a gangway while carrying the weapon. Officers Leck and Rubald traveled north on Yale. Officer Rubald dropped off Officer Leck and then reversed the squad car to 11543 S. Yale.

Officer Leck ran south on the west side of Yale and saw Mr. Coleman run through a gangway. Officer Baker saw Mr. Coleman with a gun and yelled for him to drop it. Mr. Coleman backed out of the gangway. Officer Baker ran through a yard south to cut off Mr. Coleman. Officer Rubald observed Mr. Coleman crouched behind a bush with a weapon in his hand and pointed in the direction of the gangway. Officer Leck had his weapon out and ordered Mr. Coleman to drop his weapon. Mr. Coleman stood up and ran toward Officer Leck. Mr. Coleman threw his weapon east, to 11529 S. Yale, and then charged at and tackled Officer Leck. Mr. Coleman and Officer Leck struggled for control of Officer Leck's weapon. Mr. Coleman placed both of his hands around Officer Leck's hand at the trigger. Officer Leck yelled, "He's got my gun, shoot him!" Officer Rubald, fearing for his partner's safety, drew his weapon and fired once, striking Mr. Coleman on the rear shoulder. Mr. Coleman released Officer Leck's weapon but continued to struggle with the officers. Officers Baker and Fary assisted Officers Leck and Rubald, and Mr. Coleman was handcuffed. He was transported to Christ Hospital. Sgt. Ronald Forgue, who was assigned to Beat 520, recovered Mr. Coleman's weapon.

INVESTIGATION:

Officer Baker related to the Roundtable panel that after Mr. Coleman fled from the vehicle and he [Officer Baker] followed him on foot, Mr. Coleman emerged from a gangway with his gun and came face-to-face with him. (Att. #38). Officer Baker drew his weapon and shouted, "He's got a gun" Mr. Coleman fled. Officer Baker heard Officer Leck yell, "Help me, he's got my gun." Officer Baker heard one shot and went to the

scene of the shooting. Officers Baker, Leck and Rubald handcuffed Mr. Coleman. Officer Baker said there was no struggle with Mr. Coleman after he was handcuffed.

Officer Leck told the Roundtable panel that he and his partner, Officer Rubald, were in the vicinity of 115th and Stewart when they received a radio transmission to assist Beat 4492 because the driver of a vehicle “bailed out” and ran toward 116th Street. Officer Leck exited his squad car and proceeded south on Yale on the sidewalk. Officer Rubald drove the squad car in reverse to 11543 S. Yale. Officer Leck saw Mr. Coleman exit the gangway with a gun and crouch behind a shrub in a “ready position” with a weapon in his hand pointed downward toward the gangway. Officer Leck drew his weapon, announced his office and said, “He’s got a gun! Drop the gun!” Mr. Coleman stood upright, brought his weapon to his side and stepped toward Officer Leck. Mr. Coleman tossed his weapon to 11529 S. Yale. Mr. Coleman looked at Officer Leck, who attempted to holster his weapon. Officer Leck said he must have missed holstering his weapon on the first try. As he tried to holster his weapon a second time, Mr. Coleman charged and tackled him.

Officer Leck continued that he had one hand on his gun’s “handle” (grip), and Mr. Coleman placed both of his hands over Officer Leck’s weapon, one hand on the barrel and the other hand over the slide and trigger guard. Officer Leck and Mr. Coleman rolled on the ground, having a “tug of war” over the weapon. Officer Leck felt Mr. Coleman gaining control of the weapon. Officer Rubald ran toward the scene to assist. Officer Leck yelled, “He’s got my gun! You are going to have to shoot him!” Officer Rubald attempted to subdue Mr. Coleman using control tactics. Officer Leck yelled, “He’s got the gun! Shoot!” Officer Rubald fired one round, striking Mr. Coleman in the rear shoulder area. Officer Leck re-holstered his gun while still wrestling with Mr. Coleman. More officers arrived and subdued Mr. Coleman. Officers Baker and Fary handcuffed Mr. Coleman. Officer Leck said there was no struggle with Mr. Coleman after he was handcuffed. Officer Leck said that he is 6 feet 2 inches tall and weighs 185 pounds.

Officer Rubald related to the Roundtable panel that after he and Officer Leck received the radio transmission from Officers Baker and Fary about Mr. Coleman fleeing from 115th and Stewart, he drove north on Yale. After Mr. Coleman exited his vehicle and fled east on foot, Officer Leck exited the squad car, and Officer Rubald drove in reverse down Yale. Officer Baker radioed a description of a “male black, white t-shirt with a weapon.” Officer Rubald observed Mr. Coleman exit a gangway while holding a weapon. Mr. Coleman crouched by a bush. Officer Leck, who had his weapon drawn, approached Mr. Coleman and announced his office. He ordered Mr. Coleman to drop his weapon. Mr. Coleman brought his weapon to his side and stepped toward Officer Leck while at the same time throwing his weapon overhead.

Officer Rubald related that Mr. Coleman charged Officer Leck, who attempted to holster his weapon. Mr. Coleman grabbed Officer Leck’s weapon and the two men fell to

the ground. Mr. Coleman had both hands over Officer Leck's weapon, and the two men struggled. Officer Leck yelled, "Help! He's got my gun! You are going to have to shoot him!" Officer Rubald tried to use control tactics on Mr. Coleman. Officer Leck yelled, "Got gun! Shoot!" Officer Rubald, who was less than a foot away from Mr. Coleman, fired once into Mr. Coleman's shoulder. Mr. Coleman continued to struggle. More officers arrived and they subdued Mr. Coleman. Officer Rubald said no struggle occurred after Mr. Coleman was handcuffed.

Detective Daniel Ortman from Area 2 (now Area South) related that he spoke with Mr. Coleman at Christ Hospital. Mr. Coleman said that he drove through a stop sign near 115th and Eggleston. As he continued driving, he observed four marked police vehicles. Two of the vehicles drove past him going in the opposite direction, while the two other police vehicles followed him. Mr. Coleman turned his vehicle into an alley off Stewart, drove through a vacant lot, exited the vehicle and fled on foot. Mr. Coleman ran into a gangway toward Yale. As he ran onto Yale, he observed a white male uniformed officer with a weapon pointed in his direction. The officer yelled, "Get down to the ground!" with which Mr. Coleman complied. As Mr. Coleman lay on the ground on his stomach and while handcuffed, Mr. Coleman heard more voices yell, "Shoot him. He's got a gun!" Mr. Coleman observed a gun close to his neck and saw a finger on the trigger. Mr. Coleman turned his head away and heard a single shot. Mr. Coleman said he did not have a gun in his possession during the incident. Det. Ortman estimated that Mr. Coleman was approximately 6 feet 2 inches to 6 feet 3 inches tall and 280-290 pounds. He added that there were no powder burns on Mr. Coleman. (Att. #38).

In a statement to the Office of Professional Standards¹ on 15 July 2007, [REDACTED], related that at the time of the incident, he was sitting in his residence at [REDACTED] and heard a loud commotion outside. (Att. #8). He looked out his front living room window and saw an unknown black male, approximately 6 feet to 6 feet 2 inches tall, 250 pounds, running north on Yale. Mr. [REDACTED] opened his front door and observed a uniformed white male officer run through an empty lot eastbound onto 115th and Yale. The officer ran toward the black male as the black male began to run south on Yale. The officer tackled the black male to the ground. Two white male uniformed officers ran toward the first officer and the black male.

Mr. [REDACTED] continued that the first officer brought the black male's left arm behind his back. The two white male officers and the first officer kicked and hit the black male. Mr. [REDACTED] heard a loud gunshot. The black male then yelled, "I got shot. I've been shot." The officers handcuffed the black male. Several moments later, one officer walked across the street from 11528 S. Yale, bent over and picked up what Mr. [REDACTED] believed was an

¹ The Independent Police Review Authority replaced the Police Department's Office of Professional Standards [OPS] in 2007.

"automatic" weapon. Mr. [REDACTED] was not "clear" on which officer fired the weapon. (Att. #8).

The canvass did not produce an eyewitness. (Atts. #9-#11).

Event Query #0719609770 indicated that a young male called 911 and asked for an ambulance, but then hung up. On 13 Aug 2007, the R/I telephoned the number in the event query twice. Upon the second call, a male who identified himself as [REDACTED], 22 YOA, [REDACTED], related that he did not witness the shooting and did not call 911 for an ambulance, but he did arrive on the scene after the incident. He said it was possible that someone else used his phone to make the 911 call, but he did not know who that person could be. (Att. #59).

In conversations with a male who identified himself as [REDACTED], [REDACTED] Mr. [REDACTED] related that he did not witness the shooting, but saw a black male [believed to be Mr. Coleman] being arrested. Although Mr. [REDACTED] refused to be interviewed, he related that at the time of the incident, he was in his home and heard tires screeching outside and then yelling. He then heard a "pow." Mr. [REDACTED] exited his house and looked south down Yale and saw officers on top of a black male who was on the ground. One of the black male's hands was handcuffed, but the second cuff was loose. One white male uniformed officer bent down and punched the black male's face three times. Another white male uniformed officer had his knee on the black male's back, and a third white male uniformed officer had a knee on the black male's neck. The black male was not resisting at that time. Mr. [REDACTED] was concerned that the first officer punched the black male after he was already shot. Mr. [REDACTED] said he had a lawsuit pending against some other officers for dropping off his son in a "Latin Kings" neighborhood. (Att. #67).

The ambulance report indicated that paramedics arrived at approximately 1135 hours and found Mr. Coleman lying face-down on grass and handcuffed. He had a gunshot wound to the neck, with the entrance at the midline, lower front of the neck, and the exit in the left back, shoulder area. (Att. #30).

At Christ Hospital, **Mr. Coleman** refused to do an interview with OPS before speaking with his lawyer. Mr. Coleman did not respond to letters that sought an interview. (Atts. #35, #36, #54).

In a conversation with OPS on 15 July 2007, **Dr. I. [REDACTED], the attending physician** at Christ Hospital, related that the bullet that struck Mr. Coleman entered the right side of his neck, traveled through his left shoulder and shattered his collarbone before exiting. Mr. Coleman did not sustain any life-threatening injuries. (Att. #54).

Mr. Coleman's **medical records** indicated that neither of his two wounds had evidence of stippling or burn marks. He suffered a fracture of the left clavicle. (Att. #102).

The **photographs** from the Forensic Services Division depict the scene, including fired evidence. Evidence Technician photographs depict Mr. Coleman while he was being treated at the hospital and Officer Leck, including apparent damage to his pants and red marks on his right hand and one of his legs. (Atts. #18-#28, #41-#49, #50-#53).

The description of the incident that was included in the **To-From-Subject Report from Assistant Deputy Superintendent Robert Lopez** was consistent with the Summary of Incident. In addition, ADS Lopez related that when Officer Rubald initially attempted to fire at Mr. Coleman, his weapon did not fire. Officer Rubald then cleared his weapon and fired one round at Mr. Coleman. Mr. Coleman released Officer Leck's weapon but continued to struggle against being handcuffed. Mr. Coleman's weapon was identified as a Glock 9mm semi-automatic pistol, with a 30-round capacity magazine. (Att. #2).

Mr. Coleman's **Arrest Report** includes a narrative that is consistent with the Summary of Incident. Mr. Coleman was charged with UUW by a felon and possession/use of a firearm; attempting to disarm a police officer; aggravated battery of a police officer and not wearing a seat belt. Mr. Coleman was described as 6 feet 1 inch tall, 285 pounds. (Att. #31).

The **General Offense Case Report** indicated that before the shooting occurred, Mr. Coleman hid behind a bush in front of 11532 S. Yale and came out from behind the bush when Officer Leck exited the gangway at 11534 S. Yale. Sgt. Forgue recovered Mr. Coleman's weapon from 11529 S. Yale. Also recovered at that address were the four 9mm rounds and a "piece of the handle of the offender's weapon." (Att. #7).

The **summary of the radio transmissions** provided by the Office of Emergency Management and Communications indicated that on 15 July 2007, at approximately 1131 hours, the Zone 9 dispatcher said that information from a Citywide channel was that there was a "10-1" (officer needs assistance) and a report of shots fired by the police at 115th and Harvard [indicating Officer Rubald's discharge was immediately reported]. At approximately 1208 hours, the dispatcher said the persons involved at 115th and Yale was to be transported to Christ Hospital. (Att. #107).

Officer Rubald's TRR indicated that, in addition to firing his weapon at Mr. Coleman, he kicked him to overcome his resistance. Officer Rubald was kneeling less than 5 feet from Mr. Coleman when he fired at him. (Att. #5).

Officer Leck's Tactical Response Report indicated that he used punches and a knee strike during the struggle with Mr. Coleman. Officer Leck's **Officer Battery Report** indicated that he had no apparent injury. (Atts. #3, #4).

The **Crime Scene Processing Report #9872** indicated that Officer Rubald's weapon had a 15-round magazine [fully loaded would be 15+1=16]. Fourteen 9mm+P cartridges were recovered from Officer Rubald's weapon (13 in the magazine and one from the chamber). One 9mm+P cartridge and one fired 9mm+P casing were recovered from the parkway at 11526 S. Yale [total of 16]. A fired bullet was recovered at the curb at 11526 S. Yale. The Glock pistol was recovered along with sixteen 9mm cartridges. Four 9mm cartridges were recovered from the parkway at 11529 S. Yale, and one 9mm cartridge was recovered from the floor of the driver's compartment of Mr. Coleman's car. An internal magazine spring was recovered in the parkway at 11529 S. Yale. Sgt. Forgue turned over the Glock pistol to the Forensic Investigators. A Gun Registration check found that the Glock pistol was reported stolen. (Att. #15).

The **Firearms Trace Summary** from the Bureau of Alcohol, Tobacco, Firearms and Explosives indicated that Mr. Coleman's pistol was purchased in Riverdale, IL, on 09 March 2007 by [REDACTED], [REDACTED]. (Atts. #60, #65).

A report from the Illinois State Police ("ISP") Division of Forensic Services dated 03 December 2007 indicated that Officer Rubald's weapon was examined, found to be in firing condition and test fired. The recovered 9mm+P casing and the bullet were found to have been fired from Officer Rubald's weapon. The Glock weapon was also examined, found to be in firing condition, and test fired. The magazine was found to fit in the Glock, but it would not function in that weapon. (Att. #70).

An ISP report dated 27 September 2007 indicated that no latent impressions suitable for comparison were found on the Glock pistol, the 21 live 9mm cartridges, the internal magazine spring or the magazine. (Att. #117).

An ISP report dated 20 May 2008 indicated that Mr. Coleman could not be excluded from having contributed to a mixture of DNA profiles identified in swabs from the Glock. Approximately 1 in 2 black, 1 in 3 white, or 1 in 3 Hispanic unrelated individuals could not be excluded from having contributed to that mixture of DNA profiles, which were interpreted as a mixture of at least three people. The report also indicated that Mr. Coleman could not be excluded from having contributed to a major human DNA profile identified in swabs from Officer Leck's pistol. Approximately 1 in 340,000 black, 1 in 6.1 million white, or 1 in 8 million Hispanic unrelated individuals could not be excluded from having contributed to that profile. ISP Forensic Scientist Christina Caccamo, who prepared the ISP report, related that Mr. Coleman was the "most

significant contributor" of the DNA recovered from Officer Leck's pistol. She added that Mr. Coleman left more DNA on the pistol than did Officer Leck. (Atts. #77, #126).

The Case Supplementary Report dated 26 July 2007 indicated that other officers who took part in Mr. Coleman's arrest included [REDACTED], [REDACTED] [REDACTED], [REDACTED] and [REDACTED]. (Att. #60). Injuries to Officer Leck were described as scratches and abrasions to his right hand [knuckle area], abrasions to his right knee and soreness to the back of his head. Officer Leck said he would seek treatment on his own. The Supplementary Report contained a description of the incident that was consistent with the Summary of Incident. In addition, the detectives related that when they were on the scene, they learned that when Mr. Coleman threw his weapon and it hit the ground, the "33 round" capacity "clip" disengaged from the weapon, scattering several live rounds. Officer Leck related an account of the incident to the detectives that was consistent with his Roundtable account. Officer Leck related that he remembered hearing a "click" during the incident and believed that Officer Rubald's gun might have misfired one time. After Officer Rubald fired, Mr. Coleman continued to struggle, but eventually stopped. For safety reasons and because people were coming out of their homes following the shooting, Officer Rubald went to 11529 S. Yale and recovered the gun Mr. Coleman had thrown.

The same Case Supplementary Report indicated that Officer Rubald provided an account that was consistent with his Roundtable account. In addition, Officer Rubald said that when he first tried to fire at Mr. Coleman, his weapon misfired, at which time he "jacked" the slide of the weapon, ejecting the misfired round. He then fired one shot at Mr. Coleman's shoulder area. Mr. Coleman struggled for a short time and then gave up. Other officers assisted in subduing and handcuffing Mr. Coleman. Officer Rubald recovered Mr. Coleman's handgun and turned it over to Sgt. Forgue.

The same Case Supplementary Report included an account from Officer Baker, which was consistent with his Roundtable account. Officers Fary, Corcoran, Willingham, Jaros and Gentzle were also interviewed by the detectives.

Officer Fary related to the detectives that as he drove south on Yale, he saw Officers Leck, Rubald and Gentzle struggling with Mr. Coleman. As Officer Fary exited his vehicle, he saw Mr. Coleman with his hands on Officer Leck's gun, wrestling with Officer Leck to control it. Officer Leck yelled for help and that Mr. Coleman had his gun. Officer Rubald then fired at Mr. Coleman, who continued to struggle. Officer Rubald helped arrest Mr. Coleman.

Officers Willingham and Corcoran told the detectives that they monitored the foot chase and drove south on Yale and saw Officer Leck wrestling on the ground with Mr. Coleman as Officers Rubald and Gentzle tried to subdue him. Officer Willingham saw Mr. Coleman's hands on Officer Leck's gun. As Officers Willingham and Corcoran

were exiting their car, they heard Officer Leck yell for help and that Mr. Coleman had his gun. Officer Rubald then shot Mr. Coleman. Officers Willingham and Corcoran assisted in arresting Mr. Coleman.

Officer Jaros told the detectives that after his partner, Officer Gentzle, exited the squad car to help pursue Mr. Coleman, Officer Jaros stopped in the alley at 11528 S. Yale. Officer Jaros saw, through the vacant lot, that Officers Leck and Rubald were wrestling with Mr. Coleman on the ground. Officer Jaros exited the squad car and went through the lot to help his partners. He heard Officer Leck yell for help and that Mr. Coleman had his gun, and then Officer Jaros heard a gunshot. He assisted in the arrest.

Officer Gentzle related to the detectives that he and his partner, Officer Jaros, were behind Officers Baker and Fary when the latter attempted to stop a vehicle at 115th and Princeton. After Mr. Coleman's vehicle drove through a yard, Officer Gentzle exited his squad car at approximately 11535 S. Princeton and assisted in the foot pursuit. Officer Gentzle started to follow Officer Baker and heard Officer Baker say on the radio that the offender had a gun. Officer Gentzle observed Mr. Coleman tackle Officer Leck, and he saw Mr. Coleman with his hands on Officer Leck's gun. Officer Leck shouted for help, that Mr. Coleman had his gun and that he should be shot. Officer Rubald shot Mr. Coleman.

The same Case Supplementary Report included a summary of the interview Det. Ortman had with Mr. Coleman at the hospital, which was consistent with Det. Ortman's Roundtable account. The detectives also interviewed a witness, [REDACTED], [REDACTED]. Ms. [REDACTED] related that at the time of the incident, she was lying on her bed and heard tires screeching in front of her home. She was on her way to her upstairs front window when she heard a gunshot. She looked out the window and saw two or three officers fighting with a big black guy. The officers put handcuffs on him. The black guy yelled that he was shot. One officer yelled something about finding the gun. One officer went across the street and he said that he found the gun, but she did not see him pick it up. (Att. #60).

In a statement to IPRA on 23 May 2008, Officer Leck provided an account that was consistent with his Roundtable account and with what he told the detectives. In addition, Officer Leck related that before he exited his squad car to pursue Mr. Coleman on foot, he heard a car-to-car transmission that Mr. Coleman had exited his vehicle and was armed with a pistol. Officer Leck continued that when he was struggling for his gun with Mr. Coleman, and Officer Rubald came to his aid, Officer Rubald kicked Mr. Coleman in the face, with no effect. Officer Leck felt that Mr. Coleman was gaining more control of his weapon than Officer Leck had, and he yelled, "Shoot him!" Officer Rubald got on one knee and tried twice to fire his weapon, but it misfired. On the third time, he shot Mr. Coleman in the shoulder. Mr. Coleman continued to struggle until Officer Willingham arrived and assisted Officers Rubald and Leck placing Mr. Coleman into

custody. Officer Leck added that he did not strike Mr. Coleman before Officer Rubald kicked him. Officer Leck was in contact with Mr. Coleman's body when Officer Rubald fired. No other officers were on the scene when Officer Rubald shot Mr. Coleman. Officer Leck used punches and knee-strikes on Mr. Coleman after he was shot, but before he was handcuffed. Officer Leck did not recall if Mr. Coleman continued to struggle after he was handcuffed. Officer Leck said he sustained abrasions and scratches to his right hip, abrasions to his right knuckles and a knee and a bump on the right side of his forehead, but he did not seek medical attention. Officer Leck said he was 6 feet 2 inches tall, 185 pounds. (Att. #76).

In a statement to IPRA on 15 May 2008, Officer Rubald provided an account that was consistent with his Roundtable account and with what he told the detectives. In addition, he said that he tried to fire twice at Mr. Coleman, but his weapon malfunctioned. During the malfunction, Officer Rubald tapped his magazine and racked the slide, which chambered a round and ejected a live round. When he fired at Mr. Coleman, Officer Leck's gun was positioned in Mr. Coleman's hands, and Officer Rubald was to the left of Mr. Coleman, on one knee. He could not see if Officer Leck had either of his hands on his weapon then. When Officer Rubald fired, the tip of his barrel was less than a foot from Mr. Coleman's left shoulder. After Mr. Coleman was shot, he still was not compliant and struggled with Officer Leck for his gun. Officer Rubald might have kneeled on Mr. Coleman to stop him from struggling. Prior to the shooting, Officer Rubald kicked Mr. Coleman in the face while Officer Leck and Mr. Coleman struggled for the weapon. The kick had no effect. Officer Rubald said he recovered Mr. Coleman's weapon because he did not want the gun or the officers' safety to be compromised. Officer Rubald said he was 6 feet 1 inch tall, 215 pounds. (Att. #75).

In a statement to IPRA on 23 April 2009, Officer Baker gave an account of the incident that was consistent with his Roundtable account and the Summary of Incident. In addition, Officer Baker said that after Mr. Coleman fled from his car and ran into a gangway, Officer Baker ran into the gangway one house north of where Mr. Coleman fled. Mr. Coleman, who was holding a handgun with an extended magazine, then appeared at the front of the same gangway Officer Baker was in. Officer Baker drew his weapon and took cover. Mr. Coleman fled north, and Officer Baker went to the rear of the house and then north in the back yard. He heard Officer Leck yell, "Help, he's got my gun!" Officer Baker went back to the first gangway and went toward Yale. He heard a gunshot and went to Yale. He saw Mr. Coleman was in handcuffs. Officers Fary, Leck and Rubald were standing on Yale north of Officer Baker. Officer did not see any officer struggle with Mr. Coleman, and he did not see Mr. Coleman throw his weapon or recall if he saw it before a sergeant recovered it. (Att. #105).

In a statement to IPRA on 05 March 2009, Officer Fary provided an account of the incident that was overall consistent with what he told the detectives and the Summary of Incident. However, Officer Fary said he did not see Mr. Coleman holding a

gun during the struggle with Officers Leck and Rubald, and he did not see Officer Rubald fire at Mr. Coleman. He did not recall if he told detectives that he saw Mr. Coleman with his hands on Officer Leck's gun. In addition, Officer Fary said that after he drove onto Yale and observed Officers Leck and Rubald struggling with Mr. Coleman, he exited the squad car. Officer Fary observed a handgun on the street and then heard one shot. After the shooting, he assisted in handcuffing Mr. Coleman because Officers Rubald and Leck had not gained control of Mr. Coleman's hands. He did not recall seeing Officer Gentzle on the scene when Officers Leck and Rubald struggled with Mr. Coleman. After the shooting, Officer Rubald told Officer Fary that he fired at Mr. Coleman because he was grabbing Officer Leck's gun. Officer Fary did not remember if he saw Mr. Coleman throw a firearm during the incident. (Att. #95).

In a statement to IPRA on 03 March 2009, Officer Jaros related an account of the incident that was consistent with the Summary of Incident. In contrast with what Officer Jaros told the detectives, he said in his IPRA statement that he did not see any officer wrestle with Mr. Coleman before the gunshot and did not recall telling detectives that he saw such wrestling. After Officer Jaros came upon Officers Leck and Rubald, he observed Mr. Coleman pull away from those officers as they attempted to handcuff him. He did not observe any officer strike Mr. Coleman when he was assisting in handcuffing him. (Att. #93).

In a statement to IPRA on 24 March 2009, Officer Gentzle provided an account that was consistent with the Summary of Incident, but it differed in detail from some of the account that the detectives attributed to him. Officer Gentzle said he saw Mr. Coleman holding a weapon when Mr. Coleman exited his car. Officer Gentzle chased Mr. Coleman on foot, and he saw Mr. Coleman running through a gangway. By the time Officer Gentzle reached the gangway, he saw that Mr. Coleman had tackled Officer Leck and was on top of Officer Leck. Officer Gentzle jumped on top of Mr. Coleman and tried to control his hands and pull his arms from under his body. Officer Gentzle heard Officer Leck yell that Mr. Coleman had his gun. Officer Gentzle did not see Mr. Coleman holding a part of Officer Leck's gun, but he had his hands on Officer Leck's holster. Officer Gentzle told Mr. Coleman to stop resisting and to give him his hands. As Officer Gentzle tried to grab Mr. Coleman's hands, he heard a gunshot to his left, near his left ear. Officer Gentzle did not recall telling detectives that he heard Officer Leck yell for someone to shoot the offender. Officer Gentzle gained control of Mr. Coleman's hands and he was placed into custody. Mr. Coleman's firearm was recovered, but Officer Gentzle did not observe the recovery. He did not recall observing Officers Leck or Rubald strike Mr. Coleman. Officer Gentzle's hearing in his left ear was slightly impaired for some time, but he did not seek medical treatment. (Att. #94).

In a statement to IPRA on 04 March 2009, Officer Corcoran said the first time he observed Mr. Coleman was when he was on top of Officer Leck. Officer Rubald was on top of Mr. Coleman, struggling with him. Officer Corcoran ran toward Mr. Coleman

and the officers and heard Officer Leck yell, "He's got my gun ... shoot him!" Officer Rubald then fired once at Mr. Coleman. Officer Corcoran did not see Mr. Coleman holding Officer Leck's gun. Officer Corcoran saw an officer recover a weapon from the street during the incident. After the incident, Officer Rubald told Officer Corcoran that Mr. Coleman had Officer Leck's gun, and he shot Mr. Coleman for his and Officer Leck's safety. Officer Corcoran said he did not recall that Mr. Coleman resisted being handcuffed after he was shot, and he did not observe any officer strike Mr. Coleman after he was shot. (Att. #94).

In a statement to IPRA on 10 March 2009, Officer Willingham said he saw Mr. Coleman wrestling with Officer Leck while Officer Rubald was starting to assist Officer Leck. Mr. Coleman's hands were on Officer Leck, and Officer Leck was struggling with his hands with Mr. Coleman. Officer Leck yelled , "Help, he's got my gun. Shoot him!" Mr. Coleman's hands were in Officer Leck's waist area. Officer Rubald shot Mr. Coleman. Officer Willingham said it was possible he told detectives that he observed Mr. Coleman's hands on Officer Leck's gun, but he did not recall providing that information. Officer Willingham estimated that the part of the incident he observed lasted less than 10 seconds. He assisted in handcuffing Mr. Coleman. He did not observe any officer strike Mr. Coleman. Officer Willingham saw a handgun on the street, closer to the east cub, after the shooting. Officer Leck told him that Mr. Coleman had thrown the handgun. (Att. #98).

Mr. Coleman was charged with felony possession/use of a firearm, aggravated UUW, aggravated battery and disarming of a police officer and resisting or obstructing an officer. He was found not guilty in a Criminal Court trial on 24 March 2009. (Att. #106).

In his **Complaint at Law** in U.S. District Court, Mr. Coleman alleged that Officers Rubald, Leck and Gentzle physically maltreated him before and after Officer Rubald shot him. Mr. Coleman denied that he was armed or attacked or attempted to disarm Officer Leck. (Att. #116).

At the trial for the federal lawsuit, the **jury found in favor** of the city of Chicago and the officers and against Mr. Coleman. Photographs of Mr. Coleman's weapon [marked on the barrel with the ISP case number, C07-32760] obtained by the city's Department of Law while the lawsuit was pending, also depict 15 rounds of ammunition. (Atts. #125,).

An **Original Case Incident Report**, RD#HV-239435, indicated that on 12 April 2012, Mr. Coleman was a passenger in a Jeep Grand Cherokee at 115th and Stewart when a car drove up on the Jeep's passenger side and a black male in the car shot at it. Mr. Coleman was struck several times on the right side of his body and was pronounced dead at Roseland Hospital. Two other males in the Jeep were wounded. (Atts. #124).

CONCLUSION AND FINDING:

This investigation found that the use of deadly force by Officer Rubald was in compliance with Chicago Police Department policy. According to the Chicago Police Department's General Order 03-02-03 (formerly G02-08-03), Section II, A:

A sworn member is justified in using force likely to cause death or great bodily harm only when he or she reasonably believes that such force is necessary:

1. to prevent death or great bodily harm to the sworn member or to another person, or;
2. to prevent an arrest from being defeated by resistance or escape and the sworn member reasonably believes that the person to be arrested:
 - a. has committed or has attempted to commit a forcible felony which involves the infliction, threatened infliction, or threatened use of physical force likely to cause death or great bodily harm or;
 - b. is attempting to escape by use of a deadly weapon or;
 - c. otherwise indicates that he or she will endanger human life or inflict great bodily harm unless arrested without delay.

Officers Baker and Rubald stated that they observed Mr. Coleman armed with a gun either after he fled from his car or at the time Mr. Coleman encountered Officer Leck on Yale. Officers Leck and Gentzle said they heard radio reports (car-to-car) that Mr. Coleman was armed. Witness Mr. [REDACTED] saw an officer pick up a gun from across the street following the incident, and witness Ms. [REDACTED] heard an officer say that he found a gun. Officers Fary and Willingham saw a handgun on the street after the incident. DNA from a broad group of persons, from which Mr. Coleman could not be excluded, was on swabs from the Glock pistol that was recovered on the scene. Officers Leck and Rubald stated that they observed Mr. Coleman throw a weapon before attacking Officer Leck. Despite Mr. Coleman asserting in his lawsuit that he was not armed, the preponderance of the evidence indicates that he was armed at the time the incident began and when he encountered Officer Leck. Officer Leck was justified in displaying his weapon when he encountered Mr. Coleman.

Officer Leck related that Mr. Coleman attempted to disarm him during the struggle. Officer Leck suffered minor injuries, and his pants had marks on them apparently from the struggle. Officer Rubald stated that Mr. Coleman had his hands on Officer Leck's weapon during the struggle. Officer Fary's accounts were inconsistent on whether he saw Mr. Coleman holding Officer Leck's weapon. Officer Willingham said he saw Mr. Coleman's hands at Officer Leck's waist area. Officer Gentzle related that Mr. Coleman's hands were on Officer Leck's holster. Officer Leck said he announced that Mr. Coleman had his gun and that Officer Rubald should shoot him. Officers Baker, Rubald, Fary, Willingham, Corcoran, Jaros and Gentzle said they heard Officer Leck state that he [Mr. Coleman] had his [Officer Leck's] gun. The ISP forensic scientist said that the largest amount of DNA discovered on Officer Leck's weapon was from Mr. Coleman. The preponderance of the evidence indicates that Mr. Coleman held Officer Leck's pistol. When Officer Rubald fired at Mr. Coleman, he reasonably believed that he was preventing Mr. Coleman from arming himself with Officer Leck's weapon and was therefore preventing death or great bodily harm to himself, Officer Leck or the other officer(s) on the scene in conformance with the General Order.

The officers' accounts are credible partly because the civilian witnesses' descriptions of the incident support the officers' contention that Mr. Coleman threw the gun across the street before becoming involved in the struggle with Officer Leck. The officers' accounts are credible also because of the discovery of Mr. Coleman's DNA on Officer Leck's gun.

Regarding the treatment of Mr. Coleman before and after he was shot and while the officers were attempting to handcuff him, Officer Leck said he punched and used knee strikes on Mr. Coleman, and Officer Rubald reported that he kicked Mr. Coleman's face during the struggle, with no effect. The officers reported their use of force shortly after the incident. Based on the officers' descriptions of Mr. Coleman's actions, he was an assailant. The officers' physical measures against him were reasonable under the Use of Force model.
